### **Registration Information**

Register now for November & December crafting classes and create one of a kind items, relax and meet new friends. Registration takes place in person, and you must pay the class fee to be enrolled. Sign up early to avoid disappointment, since we like to keep the classes small to give plenty of attention! Refunds or changes will be made only in the case of PCS, TDY, or class cancellation. Materials for most classes are extra and must be purchased in our well-stocked sales store. Classes are open to all active duty and retired military, DoD and contract civilians, Department of Justice employees, and their family members and accompanied guests over 12 years of age. (Except special children's classes.) So...join the fun, and bring a friend.

### **Sales Store**

The store offers an array of merchandise & services, including: Plaques, Copy Machine, Custom Printed Shirts & Mugs, Engraving on Brass & Plastic, Helium Filled Balloons & More!

### **Krafty Birthdays**

Arts & Crafts now offers Krafty Birthday Parties! Parties include up to 3 hours of party room use, one kraft project with instruction and all materials, plus a digitally mastered photo T-shirt for the birthday child! Call or stop by today for details!

### **Frame Shop**

The frame shop offers both do-it-yourself framing and custom framing. The shop is well stocked with a vast array of molding and mat board, plus state of the art equipment and a technical expert with over 20 years of experience in the field to ensure the results are exceptional. Posters and fine art prints are also available for purchase or by special order.

### **Contemporary Ceramic Studio**

The Contemporary Studio offers a large selection of bisque pieces to choose from to decorate and paint. All finished pieces are microwave, food and dishwasher safe. We have lots of idea books, traceable designs, tools, and an experienced staff to help you create a finished piece you will love. Just come in, pick out your piece, and we will help you with the rest. There is no time limit on completing your project, so you can relax and enjoy our friendly, creative atmosphere for as long as you like!

### **Pottery Studio**

The Pottery Studio offers classes covering both hand building and wheel throwing techniques. Once you've completed the initial class come in anytime during studio hours to use the pottery facility.
